Packages will be set on the autobilling system to be billed on a consistent day each month, cancellation of package before December 31st will result in your account being charged for the remaining balance in full. All lessons must be used within the calendar month. Rates listed above are ACH rates, credit card charges will have the standard 3% processing fee added on.

Horse Lease:

Add a horse lease to your package \$350 per month. Riders on the Platinum Package have first option on lease horses (lease already including in platinum pricing). Multiple riders may lease the same horse pending class divisions, age, and show schedule. Riders who are not on the Platinum Package and wish to lease will meet with Christie to pick horse shows at the beginning of the year.

Riders who are showing may want to know they will have the same partner each time they go to a horse show to build on their performance with that partner. They will spend the majority of their lessons on this horse and will have the opportunity to focus in on what this horse specifically needs and how to best prepare themselves for competition.

Leasing is a great way to test the waters of owning a horse without the financial aspect of actually purchasing a horse, and having a safety net for any problems or major expenses that occur. Riders who are in the earlier stages of competition will also show a lot of growth from year to year, this allows you to lease a suitable partner each year without having to worry about buying and selling a horse each time.
